MEMBERSHIP REPORT

Since the last BULLETIN was published, on February 28th, 640 new members have been added to the rolls of the Detroit Museum of Art Founders Society, up to the time we go to press, February 21, 1923. Added to the 472 new members reported in the March BULLETIN this makes over 1100 new members since the Membership Campaign was started in January. Our goal is 5000 members whose membership dues will be used to augment the collections in the new museum.
